

Internal Auditors Course

Integrated Management System [4 days]

About **SBS**

Strategy and Business Solutions (SBS) – a *Knowledge Organisation* working in the field of Business Strategies, Process Optimisation, Market Orientation & People Development. Our experts were the first to introduce Integrated Management System (IMS) in 1996 encompassing ISO 9001 & ISO 14001. Our risk based management system approach benefits customers with respect to time, money and efforts in realising their goals.

SBS also provides an extensive range of in-house training courses including competency based training courses for the management systems, operational efficiency and people & culture development. Training solutions are continuously upgraded to enable & enhance organisations ability to improve their overall performance and stay ahead of competition.

With about three decades of expertise in diverse consulting fields, our experts have played critical roles in honing their competencies while working with standards & certification bodies, consulting & training organisations and in industries and thus understand these standards better and is reflected in the quality of the services we provide. With **SBS**, you are choosing an international expertise for excellence with the highest level of competence and integrity. Our courses help organisations to improve employees performance and keep ahead of competition.

IMS Auditors Training (Training Code T04)

This course was developed by **SBS** as per the revised requirements of ISO 9001: 2015; ISO 14001: 2015 & BS/OHSAS 18001 along with other guideline standards like ISO 19011 and regulatory framework like IRCA, ANAB, NABAT, etc.. Our courses have gained popularity by the extent of technical coverage of diverse industry sectors, structure and the delivery enabling participants to audit the **IMS**

(Integrated Management Systems) more

objectively. Successful candidates can pursue further courses to become Lead Auditors (with certification bodies as per their internal qualification schemes), consultants, trainers & internal / external auditors.
